REVANTH KUMAR MATTA

Healthcare Operations Specialist | Medical Records Retrieval | HIPAA Compliance & Quality Auditing

revanthkm13@gmail.com

PROFESSIONAL SUMMARY

Healthcare Operations Specialist with 6+ years of non-voice experience across medical records retrieval (MRR), eligibility verification, claims adjudication, and invoice processing in US healthcare. Skilled in HIPAA compliance, HIM documentation standards, and quality auditing, with a consistent record of sustaining 95%+ audit compliance and error rates under 5%. Recognized with multiple awards for quality delivery, process optimization, and team mentoring.

CORE SKILLS

- Healthcare Non-Voice Processes: Medical Records Retrieval (MRR), Eligibility Verification, Enrollment Processing, HIM Documentation Standards, Claims Adjudication
- Compliance & Quality: HIPAA Adherence, SLA/KPI Tracking, Quality Audits, Escalation Handling, Root Cause Analysis (RCA)
- Technical Tools: MS Excel (Pivot Tables, VLOOKUP, Audit Reports), Power BI (Basic)
- Professional Skills: Written Communication, Analytical Problem-Solving, Team Mentoring

PROFESSIONAL EXPERIENCE

Senior Associate Analyst — Tech Mahindra Mar 2023 – Jun 2026

- Led MRR audits, safeguarding HIPAA-compliant PHI disclosure across all reviewed cases.
- Cross-verified requester identity, contact details, and account information against SOP checklists prior to processing information requests, escalating discrepancies for clarification or correction as needed.
- Sustained 95%+ audit compliance while cutting error rates to under 5%.
- Designed and rolled out audit checklists that strengthened SLA and HIPAA adherence team-wide.
- Drove root cause analysis (RCA) of recurring errors, improving accuracy by 20%.
- Mentored junior associates on audit methodology and compliance standards, building bench strength for the team.

Senior E-Support Officer — 24-7 Intouch India Private Ltd Mar 2022 – Nov 2022

- Assisted clients with queries via online support channels, covering mobiles, tablets, smart watches, and accessories.
- Resolved 80% of client queries on first contact while maintaining a 90% customer satisfaction score.
- Maintained average handling time under 18 minutes, strengthening SLA compliance.
- Managed escalations and assisted peers with effective problem-solving techniques.

Claims Associate — Artech Infosystems Pvt. Ltd Jul 2021 – Feb 2022

- Reviewed member eligibility data and processed updates with accuracy while adjusting plan coverage as required — including plan changes, adding/removing covered members, and updating personal information.
- Reduced delays and denial rates by strengthening pre-submission validation checks prior to portal upload.
- Supported team audits and mentored new associates on processing standards.

Process Consultant — Hinduja Global Solutions Sep 2018 – Apr 2020

- Reviewed documents uploaded in bulk and separated them per SOP requirements for verification.
- Verified and managed global invoices electronically, routing them to the next level of the process following verification.
- Matched vendor and client information against invoice details, including name, date, and invoice number.
- Earned the Star Performer Badge for exceeding production and quality metrics.

AWARDS & RECOGNITION

- Bravo Award, Tech Mahindra (2024–2025) — for consistently achieving 95%+ audit compliance.
- Client Appreciation Award, Tech Mahindra (2023) — for excellence in medical records handling.
- Job Well Done Certificate, Tech Mahindra (2024) — for mentoring associates and improving audit accuracy by 20%.
- Star Performer Badge, HGS (2019) — for surpassing production and quality benchmarks.
